2018-2019

Christian Formation Program (CFP)

Catechesis of the Good Shepherd (CGS)

- Wednesdays:
 - 6-7:30pm (CFP)
 - 6-7:30pm (CGS Levels 1, 2 and 3)

Purpose of Children's Faith Formation:

Assist parents in teaching their children about the amazing love Jesus has for all of us. They will learn about the historical and present traditions of the Catholic Christian Church, as well as Jesus' mission to bring about God's kingdom of peace, justice, and communion; a kingdom where all will know they are loved by God. The most important thing we can teach our children is the following:

**"We must love God with all of our heart, soul, strength, and mind.
We must also love others as much as we love ourselves." (Mark 12:30-31)**

2018-19 Schedule:

CFP: K – 5th Grade

CGS Fees:

NOTE: CGS fees are higher due to the additional training and material costs involved.

Fees:

Registration fees, along with a subsidy from the parish, allow us to purchase textbooks, Bibles, and other materials. Catechesis of the Good Shepherd requires many more materials that need frequent replenishment, thus the reason for the price difference.

Sacraments (1st Reconciliation & 1st Communion) Fee

Each child in 2nd grade* \$20

*Due to the increased cost of books and materials, we have added this supplemental fee. As stated above, we will NEVER turn anyone away if unable to pay.

Arrival and Dismissal Policies:

To ensure the safety of the children, we have instituted the following policies.

Arrival: Children should arrive **no earlier than 5 minutes prior** to the start of the session. You may drop your child/children off, or you may walk them into the building.

Dismissal: **Parents or driver must pick their children up from the inside of the building.** No child will be permitted to leave the building unless accompanied by an adult or teenager at least 16 years of age. If you have specific instructions regarding your child's dismissal, please contact us.

Inclement Weather and Cancellation Policy:

Cancellations will be announced via email, on the parish website (www.holyspiritmo.org), the parish office voice mail (816-537-6990), and all four major TV stations (4,5,9, and 41).

Accident Reporting and Medication Policy:

Any accident or injury that occurs while a child is on church property will be reported in writing, by the teacher or adult volunteer, to the DRE. Parents will be notified of the incident. In the event of serious injury or illness, when the parent or emergency contact cannot be reached, the child will be taken to the Emergency Room at Lee's Summit Hospital. No Medicines will be given to any student while at CFP/CGS classes.

Fire and Tornado Procedures:

No fire/tornado drills will be held during CFP/CGS classes.

All teachers will be given specific instructions on building evacuation and tornado safety procedures.

Community Service:

All of the children and families are encouraged to follow in Jesus' footsteps, and perform community service inside and outside of our parish. This year we will have the many service opportunities available.

Sacramental Preparation:

Reconciliation: In the fall of 2nd grade the students will participate in the Sacrament of Reconciliation. Parents prepare their children for all sacraments, with the support of the Catechist and Director.

Eucharist: In January, the children who have received their First Reconciliation will begin preparation for the Sacrament of Holy Eucharist. As with Reconciliation, parents will attend workshops with their children in order to help prepare them to receive this very special sacrament. Meeting dates and times are posted on our website www.holyspiritmo.org

"Let the children come to me"

Children’s Faith Formation is much more than simply “teaching religion.” While each lesson provides the children with a comprehensive understanding of our Catholic faith, we believe it just as important to learn how to live our faith and put our beliefs into action. Each week children will be challenged to put the Gospel into action. This important step will help the children to recognize that faith is not meant to be isolated or compartmentalized. Faith is meant to be lived.

Discipline Statement:

We firmly believe that all children are good and all are gifts from God. We believe they deserve well-prepared lessons and effective classroom experiences. Positive reinforcement of good behavior is more effective than punishment of misbehavior. At the same time, we believe that students who disrupt class by their behavior lessen the opportunity for their classmates to learn.

Consequences for classroom misbehavior might include:

- 1) Service work around the church
- 2) Conference between the student and the DRE.
- 3) Report of behavior to the parents

“As parents, you are the first and foremost educators of your children. You must never forget that it is also the task of the whole family to serve the life of each its members. Through your ministry of education and your personal witness, you are for your children the first heralds of the Gospel message of love.” (Pope John Paul II)

How can you help your child in their Faith Formation?

1. Take them to Mass each week.
(Why do we expect them to make faith a priority when they are older, if we don’t make it a priority now?)
2. Help your child to attend class regularly and to be on time.
3. Engage your child/children in discussion of topics covered in class.
4. Teach your child to pray anytime and anywhere.
5. Don’t forget ... take them to Mass. ☺

In September, 2002, the diocese began community education to teach the warning signs of abuse and to offer strategies for intervention. All priests, deacons, principals, teachers, coaches, youth ministers and volunteers who interact with children are required to attend the *Protecting God's Children* workshop. This is the first step in protecting our children. The goal of *Protecting God's Children* is to make adults more aware of the ways that children and adults interact, to learn the warning signs of abuse, to learn ways to prevent abuse, to learn strategies for handling suspicions of abuse, and to learn ways to respond to abuse. These workshops are open to the public and interested persons are encouraged to attend.

What is the Circle of Grace Program?

Through the *Circle of Grace* Program, adults assist children to recognize God's love by understanding that each of us lives and moves within a *Circle of Grace*. This is taught in a visual and real way by the following meditative prayer.

Imagine:

Raising your hands above your head and bringing your arms slowly down keeping them outstretched.

Extending your arms in front of you and then behind you embracing all of the space around you knowing that **God** is in this space with you.

Slowly reach down to your feet.

This is your **Circle of Grace**.

You are in it.

Because this concept includes all senses it allows children to identify uncomfortable situations long before inappropriate behavior may occur. The *Circle of Grace* program teaches children to seek help from a trusted adult, reinforcing God's presence in their real life struggles. It will educate and empower children to actively participate in a safe environment for themselves and others.

Reporting Requirements for Child Abuse or Neglect

 - Call local law enforcement or 911
- Call Jenifer Valenti at 816-812-2500 if the hotline call involves clergy, a diocesan employee or volunteer.
- Call Jenifer Valenti with concerns about signs of grooming or boundary violations.

Luke 18:15-17

Now they were bringing even infants to him that he might touch them; and when the disciples saw it, they rebuked them. But Jesus called them to him, saying, "Let the children come to me, and do not hinder them; for to such belongs the kingdom of God. Truly, I say to you, whoever does not receive the kingdom of God like a child shall not enter it."
